Please see the Board's Reference at pp 1-2c. It is for orders whether the request of the Mangalore Ladies' Club, that the value of the improvements besides buildings ~~may~~ may also be given, will be approved. On a similar application from the Mahila Sabha, Mangalore the Board of Rev was not prepared to accede to the request - Vide Board's (para 3 of) Reference at page 3 of fo. No 256 Rev dtd 9-1-1908. The Government agreed with the Board of Revenue - Please see in this Connection the notes at page 2 of fo. No 256 Rev dtd 9-1-1908

S/ If we grant this request we may be let in for fabulous compensation for work which are useless to us. In buildings we always can find some use — but improvements are in a different category. A request rackets court would be much use to Govt. Still it would be an 'improvement'!

Our proposal was based on G.O 42 dtd 2

an analogous case in Madura, & if given effect to, will restrain the ladies from sinking money in unnecessary improvements

Has Govt orders whether compensation shd. be allowed for improvements also. If this is to be allowed it wd be well to insist on previous sanction to Collector to improvements (& perhaps also construction of buildings).

Govt. have a stake in the matter & there is some justification for their having some voice in the sanction to expenditure

I dont think Government should make themselves responsible for improvements.

As regards the other request that they should have reasonable notice before resumption, Government must reserve to themselves the right to say what is reasonable notice.
